Similar to previous years, the program will run on Wednesdays and Thursdays for an hour immediately after school (3:15 to 4:15 p.m.). We have lots of great courses that will engage students of all ages, as courses will be offered for all grades (K to 8).
- There will be a fee if you haven't already paid the annual Program Fee.
- Classes will begin on March 4th and March 5th and generally run for 4 consecutive weeks; two weeks of snow days are already planned as well. Some classes may have a unique schedule so please read the information in full when you sign your child up so you are aware of the date commitments; any classes with unique schedules will be highlighted during registration.
- Sign up for Enrichment 2020 will be electronic this year with information sent via backpacks by the first week of February.

More detailed information on ALL of our events can be found on our **NEW** website at www.dtspie.com, email us at dtspie@gmail.com and Like us on Facebook

- We are still looking to add engaging classes so if you have a hobby or talent that you would like to share with DTS students, please consider volunteering as an instructor. PiE will reimburse for supply costs.
