

Monthly Slice of PiE

February 2021

Monthly Meeting

- Join us for our next virtual meeting on Wednesday 2/17 at 7 pm. Zoom information will be sent out a few days prior.

Donation Bins

- As you may know, we have donation bins located in the main parking lot at school. This is a source of funding for DTS PiE, as we are paid by the pound.
- The bins have been relatively empty lately, so if you've tried to use them in the past, only to find they were full, please give it another try.
- You can donate anything you can wear, sleep in or use to dry yourself off. This means, clothes, shoes, accessories and linens. For a complete list visit [Helpsy.co](https://www.helpsy.co).
 - Items don't have to be in perfect shape (torn, worn, stains, missing buttons are ok), but they must be clean and dry.
- 95% of what they receive is reused, upcycled or recycled.
- Please don't leave items outside the bins. Large bags and boxes will not fit in the bin opening.

After School Enrichment

- Unfortunately, we will not be able to provide after school enrichment programming this year. It would be too difficult to execute safely, given the current state of affairs.
- If you're looking for a creative outlet, the county library just set up access to Creativebug for anyone with a library card.
<https://www.hclibrary.us/eresources/creativebug.htm>
- Creativebug is your go-to resource for high-quality, on-trend arts and crafts instructional videos on drawing, painting, sewing, knitting, crochet, quilting, baking and more. All classes are taught by experts, with new classes added daily. Creativebug delivers expert instruction and inspiration straight to your favorite device so you can learn at your own pace – anytime and anywhere.
