

Monthly Slice of PiE

January 2021

We wanted to take this opportunity to wish you all a happy and healthy New Year!

Author In Residence

- The author in residence program is back for its 7th year! Although this year it will be a virtual program, we are excited that we are able to provide this much loved programming once again.
- Children's book author and illustrator Peter Catalanotto (petercatalanatto.com) will conduct a writing workshop with our 3rd grade classes over the course of several sessions. He guides the students through the writing & illustration process, which typically culminates in a publishing party during which students have had the opportunity to share their finished stories with each other and their families. He will also follow up with students in 4th and 5th grades who experienced the program as 3rd graders.

Box Tops For Education

- Don't forget to keep sending in your box tops and scanning your receipts at home. The contest runs until June this year, so you can send clipped tops at any time. Receipts need to be scanned within 14 days.
