

Monthly Slice of PiE

March 2021

Monthly Meeting

- Join us for our next virtual meeting on Wednesday 3/17 at 7 pm. Zoom information will be sent out a few days prior.

Nominating Committee

- We are seeking volunteers to serve on the nominating committee. This committee is responsible for the development of a slate of nominees for DTS PiE Board elections for the 2021-22 school year.
- This 3 person committee can work via email to develop the slate by;
 - identifying candidates for board positions (including renewal of current positions, if applicable and receiving and evaluating nominations)
 - contacting potential candidates to determine if they will accept their nomination
 - presenting the slate for a vote at our May meeting
- No experience necessary. We have commitment from a previous nominating committee member, so there will be someone to guide you through the process.
- This process is vital to the operation of our organization. We urge you to consider volunteering. If interested, email us at dtspie@gmail.com by **March 19th**.

Donation Bins

- Thank you to everyone who has donated recently! Please keep the donations coming.
- Acceptable donations are clothes, shoes, accessories and linens. For a complete list visit Helpsy.co.
- Our donation bins are located in the main parking lot at school. Please don't leave items outside the bins.

Box Tops for Education

- Please keep sending in the clippable box tops and scanning your receipts.
- Remember, the homeroom that collects the most box tops in both elementary and middle school will win a prize at the end of the school year.

Next Month

Virtual meeting - 4/21 @7 pm

Upcoming events:

Teacher Appreciation Week - May 3rd - 7th
